**2**. Government Corrigendum Department Of Industry Energy and Labour No. MISC 2017/CR 83/ Labour9, dated 19-09-2017

**Corrigendum**

In the aforesaid Government Resolution in subsection (d) of section Risk Based Inspection Procedure for various departments, the Risk criteria for Directorate of Industrial Safety and Health is redefined as-

| **Category of Factory** | **Risk Category** | **Frequency of Inspection** | **Remarks** |
|---|---|---|---|
| MAH Units | High | Once in a year | |
| Factories handling Hazardous Process under Section 2 (cb) of The Factories Act,1948 & Hazardous Factory as per the Rule 2(o) of The Maharashtra Factories Rules,1963 | | | |
| Other Factories (Having workers more than 150 workers) | Medium | Once in two years | |
| The factories having workers less than 150 and registered under Section 85 but not covered in High and Medium category | Low | Once in five years | (Power-loom and saw-mill as defined under Section 85 of Factories Act are exempted from Inspection) |

The number of the factories to be inspected in month by the Assistant Director and Deputy Director will be decided by the Directorate.

Also in the aforesaid Government Resolution a following note is added on page no.5 at the end of section Inspection Process- Schedule and Allocation of Inspectors-

"Every department integrated in the CIS has to restrict the scope of site inspection (except in case of complaint based inspections) to the procedure defined and violations mentioned in the Checklist and template available at respective Department's website"
